

Mary Free Bed
Rehabilitation Hospital

**2019 MARY FREE BED
REHABILITATION HOSPITAL**

LIMB LOSS CONFERENCE

Thursday, March 7, 2019

LOCATION

Mary Free Bed
Professional Building
Meijer Conference Center
350 Lafayette Ave. SE, Grand Rapids, MI 49503

OVERVIEW

Patients who have undergone amputation or were born with a limb deficiency experience a unique lifelong journey of managing mobility, prosthetics, skin issues, pain and adjustment. The inaugural Mary Free Bed Rehabilitation Hospital Limb Loss Conference will provide evidence-based knowledge and experience on these topics presented by Mary Free Bed Rehabilitation Hospital experts who represent the continuum of care, from outpatient to inpatient. Presentations will include in-depth information for inpatient care management, prosthetic care management across the continuum, gait deviations and how they relate to patient and prosthetic issues, management of both residual limb and phantom limb pain, balance training and medical management of skin issues.

TARGET AUDIENCE

Physicians, residents/students, orthotists, prosthetists, nurses/nurse practitioners/students, physician assistants/students, occupational/physical/recreational therapists/students, psychologists, social workers, exercise physiologists, rehabilitation program administrators, rehabilitation specialists, case managers, claims specialists and other professionals involved in the care of a patient with limb loss.

OUTCOMES

Learners who attend this conference will be able to identify and discuss management strategies for residual limb and phantom limb pain, and skin issues. They will gain a thorough understanding of inpatient care management and prosthetic care management across the continuum. Attendees will be able to identify prosthetic components for patients with lower-extremity amputation and prosthetic causes of pain. They will be able to explain gait deviations and how they relate to patient and prosthetic issues.

FACULTY

Sarah Ayotte, PT, DPT, Mary Free Bed Rehabilitation Hospital

Jason Bomia, MS, OTR/L, Inpatient Stroke/Orthopedic programs, Mary Free Bed Rehabilitation Hospital

CONTINUING PROFESSIONAL EDUCATION

Mary Free Bed Rehabilitation Hospital is accredited by Michigan State Medical Society to provide continuing medical education for physicians.

Mary Free Bed Rehabilitation Hospital designates this live educational activity for a maximum of 7.0 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Mary Free Bed Rehabilitation Hospital is an approved provider of continuing nursing education by the Wisconsin Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. 7.0 contact hours will be awarded for successful completion.

This continuing education program has been submitted for 7.0 clock hours as recognized by the Michigan Social Work Continuing Education Collaborative.

This program has been submitted to The Commission for Case Manager Certification for approval to provide board certified case managers with 7.0 clock hour(s).

This program has been submitted to the Michigan Physical Therapy Association for 7.0 credit hours of physical therapy education in Michigan.

BOC credits will be available. Sign in and completion of an evaluation are required for credit to be awarded.

Certificates will be awarded and emailed to participants who attend the symposium, submit a completed evaluation form, and complete sign in form. The number of continuing education credits/units awarded will be based on the hours attended and the requirements of the specific accreditation body. Certificates will be emailed within three weeks of conference date.

3 EASY WAYS TO REGISTER AND PAY

1.) Online registration

Please copy and paste the URL below and use Google Chrome, Firefox or Safari (not Internet Explorer)
