CANCER REHABILITATION CONFERENCE

Friday, May 3, 2019

Registration/Breakfast 7 a.m.

Conference 7:55 a.m.-4:25 p.m.

Prince Conference Center at Calvin College
1800 East Beltline Ave. SE, Grand Rapids
616.526.7200 or 1.866.526.7200

Overview

This year's focus will be the special needs of the patient who has been diagnosed with brain cancer. An expert multidisciplinary faculty will present topics aimed at providing crucial, evidence-based information to the professionals who care for patients with brain tumors so they can provide excellent care across the continuum.

TARGET AUDIENCE

Physicians • Medical residents/students • Nurses/nurse practitioners/students • Physician assistants/students • Occupational, physical, recreational and speech therapists/students • Psychologists • Social workers • Exercise physiologists • Rehabilitation program administrators • Rehabilitation specialists • Case managers • Claims specialists • Registered dietitian nutritionist • Other professionals involved in cancer care

OUTCOMES

By attending the 2019 Betty Bloomer Ford Cancer Rehabilitation Conference, participants will be able to discuss various treatment options, potential side effects of treatment, strategies to manage side effects and the rehabilitation needs for these patients. Attendees will be able to identify appropriate rehabilitation goals for hospice and palliative care patients and nutritional strategies for raising energy levels and reducing fatigue. Those in attendance will be able to describe the cognitive and emotional assessment of patients with brain tumors, as well as genetic mutations and how they affect tumor growth and neuroplasticity and the implications for rehabilitation.
