Please describe your experience and goals for a fieldwork/ internship placement:

Requesting (check appropriate box): Fieldwork Internship

Semester: Winter/Spring (Jan-April) Summer (April-August) Fall (August-Dec)

Rate programs in order of preference, number one being your first choice:

 In-Patient Teams (Fieldwork/Internship)

The in-patient teams treat patients with various diagnoses including stroke, deconditioning, amputees, spinal cord injuries, multiple sclerosis, traumatic brain injuries, multiple trauma, cancer and other diagnoses. We offer a variety of treatment modalities including but not limited to 1:1 treatment sessions several times per week, community reintegration outings, aquatics, social groups, evening and weekend programming. We are an integral piece of the patients' recovery process, meeting with doctors and the interdisciplinary team on a regular basis. This placement is a full-time 40hrs/week placement, with exact daily hours varying according to patient schedules/treatment plans/caseload. There are options for fieldwork opportunities.

Mary Free Bed

Rehabilitation Hospital

___ Outpatient Teams (Fieldwork/Internship)

The outpatient team treats adult and pediatric patients with various diagnoses including stroke, deconditioning, amputees, spinal cord injuries, multiple sclerosis, traumatic brain injuries, multiple trauma, cancer and other diagnoses. Treatments are community based and are designed to foster independence with return to leisure and recreation activities. We are an integral piece of the patients' recovery process, meeting with doctors and the interdisciplinary team on a regular basis. This placement is a full-time 40hrs/week placement, with exact daily hours varying according to patient schedules/treatment plans/caseload. There are options for fieldwork opportunities.

___ Wheelchair and Adapted Sports Department (Fieldwork/Internship)

This department provides wheelchair sports team programs to persons with physical disabilities and adaptive sports and recreation clinics for all disabilities. Our athletes and participants range in age from 3 years and up. Our sport teams include the sports of w/c basketball, quad rugby, sled hockey, w/c tennis, handcycling, w/c softball and w/c fencing, w/c fencing and adaptive cheerleading. Our adaptive sports clinics currently include adaptive downhill ski, sailing, canoe/kayak, waterski, scuba, fishing, off-road handcycling, golf, archery and Bikes for the Rest of Us. Our adaptive classes include swim lessons, yoga, junior w/c softball, rock climbing and preschool sports sampler. Fieldwork placement hours vary with some office work for planning, outside meetings, and work in the community on some evenings and weekends. You will also gain experience working with families and partner organizations.
