Mission Statement

To provide and promote competitive and recreational wheelchair and adaptive sports for persons with disabilities.

Sports — whether recreational or competitive — have played an intricate role in most of our childhoods. We've experienced the joy of winning, the pain of losing and the pride, friendships and feelings of accomplishment that have developed along the way. Yet, for some adults and children, involvement in sports has been sidelined because of a physical disability. Thanks to your support, **Mary Free Bed Wheelchair & Adaptive Sports** will continue to enhance the independent lives of athletes with physical disabilities.
