

Jr. Wheelchair

SPORTS CAMP

Grand Valley State University

JULY 22-26 2019

What is Jr. Wheelchair Sports Camp?

Sponsored by the Mary Free Bed Wheelchair & Adaptive Sports Program, Jr. Wheelchair Sports Camp is for youth who are physically disabled and use, or require, a wheelchair to be successful in sports and recreational activities. Held each summer at Grand Valley State University, the camp is a free, five-day, activity-filled week for children and teens who have various physical disabilities. Each day, from 8:30 a.m. to 4 p.m., campers are rotated by age group, to different sport activities. Each group of campers is accompanied by volunteers, and new skills are taught by experienced wheelchair athletes. This year's camp begins on Monday, July 22 and continues through Friday, July 26.

Family and Awards Day – held Friday – invites parents, family members and friends of attending campers to observe what camp has to offer. This is the **only** day family and friends are invited to attend, and guests receive a free lunch at the Awards Banquet.

Our Camp Provides

- An organized method of daily check-in for campers who are dropped off on time
- Competent, caring staff and volunteers with an average ratio of one volunteer to two campers
- Daily lunch and snacks to campers, staff and volunteers
- · Sports wheelchairs and equipment for daily use
- Exhibitions in sports and recreational activities
- Quality instruction in wheelchair sports
- A feeling of camaraderie and a "can do" spirit
- Housing, including meals, activities and supervision for campers who live more than 45 miles one way.

Who Can Attend?

The Jr. Wheelchair Sports Camp is designed for kids who have physical disabilities, are able to address self-care independently (toileting, bathing, eating and transfers) and have good use of their upper extremities. Children ages 7-18 are welcome to attend. Campers should have the willingness and ability to try several sports while using adaptive equipment and rules.

Our prerequisite is a good mental attitude. Use of a wheelchair on a daily basis is not a prerequisite. However, if a child is able to play sports competitively without the use of a wheelchair, this camp is not the right fit. Parents are encouraged to allow their children to experience camp "parent and sibling free."

2019 Offerings

Jr. Wheelchair Sports Camp may include instruction in:

- Basketball Sled hockey
- Football Softball
- Frisbee golf Swimming
- Handcycling
 Team handball
- Kayaking
 Tennis
- Lacrosse

We seek to provide your child with a typical camp experience designed to foster independence.

Volunteers

Sports camp volunteers must pre-register and be 16 years or older. Call 616.840.8356 for special volunteer requests for you or your child.

Please ensure you complete and submit the entire application and all necessary documents and payments by **July 1.**

Participant Application and Health Information Form

Please Print

Please complete both sides of this form.

A late fee of \$40 will be charged after the July 1 deadline. No applications will be accepted after July 12.

Self-Care

All campers must be able to address self-care (toileting, bathing, eating and transfers). If possible, you may have an aide accompany them to support these skills. If necessary, detailed instructions should be returned with this form. Please ensure camper brings enough personal supplies to last five days, plus extra supplies in case of any unexpected circumstances. **Overnight campers**, please bring shower chairs and necessary supplies.

If your child has a minor headache or discomfort, select all we are allowed to give:
