

# 2020 NEURO REHABILITATION SYMPOSIUM

Saturday, October 24, 2020

Virtual Symposium

Registration/Login 7:30 am

Symposium 7:40 am-4:15 pm

## OVERVIEW

Rehabilitation professionals are continually exploring ways to enhance treatment to improve patient outcomes. The 2020 Neuro Rehabilitation Symposium will bring together an expert interprofessional faculty presenting topics aimed to provide professionals caring for brain-injured patients the evidence-based, important information they need to provide excellent care across the continuum.

## TARGET AUDIENCE

Physicians • Medical Residents/Students • Nurses/Nurse Practitioners/Students • Physician Assistants/Students • Occupational, Physical and Recreational Therapists/Speech-Language Pathologists/Students • Psychologists • Social Workers • Rehabilitation Program Administrators • Rehabilitation Specialists • Case Managers • Other professionals involved in brain injury care • Case managers • Other professional involved in brain injury care.

## OUTCOMES

By attending the 2020 Neuro Rehabilitation Symposium, participants will be able to discuss the fundamentals of acute brain injury, neurosurgical interventions and managing chronic pain after traumatic brain injury. They will be able to explain issues of alcohol and drug use in the brain-injured population, managing the pediatric traumatic brain injury and setting boundaries in brain injury rehabilitation. In addition, attendees will be able to discuss sensory guidelines for the rehabilitation patient, as well as community reintegration strategies for the brain-injured patient.
