

HOME & COMMUNITY SERVICE OUTCOMES

Mary Free Bed
Rehabilitation Hospital

Service Dates: April 1, 2020 — March 31, 2021

The Mary Free Bed Home & Community Program is designed to work with children and adults in their home and community, surroundings that are familiar. The Home & Community therapy team provides a personal platform of individualized and customized treatment. The focus is not only on physical and cognitive therapies, but also on returning the person to everyday routines such as cooking, shopping, home management, child care, play, leisure activities, work or school.
