

# Mary Free Bed Foundation COMMUNITY PARTNERSHIP PROGRAM

Mary Free Bed<sup>®</sup>  
Rehabilitation

Become a Community Partner, and show your dedication to futures filled with hope and freedom for adults and children.

### FRIENDS,

Since 1891, we've been laser-focused on our mission: restoring hope and freedom through rehabilitation. At Mary Free Bed, one of our values is to treat with our hands and heal with our hearts. Rehabilitation is rigorous, but our teams have perfected the delicate balance between knowing when to push and when to hug. You won't find that in textbooks — it comes straight from the heart. We depend on collaboration with partners to provide extraordinary rehabilitation services. Your Community Partner sponsorship will play a vital role in helping patients and families transform fear into hope, limitations into freedom and dark days into bright futures. Continued growth is on our horizon so the expert rehabilitation we offer is available for all those who Ask for Mary.
