CONNECT

At Mary Free Bed, everything we do is designed to help people with physical disabilities overcome any barriers. We provide a continuum of care that addresses physical and emotional needs.

MOVE

We believe sports are for everyone. Our Wheelchair and Adaptive Sports program embodies this commitment, creating inclusive recreational opportunities. It's one of the largest programs of its kind in the United States, serving more than 1,800 people of all ages and abilities annually.

INSPIRE

Annually, we offer more than 100 classes, clinics, special events and teams to empower kids and adults to experience the excitement and thrill of competitive and recreational sports. Each provides a fun opportunity to exercise, make new friends, develop social and teamwork skills, and build self-confidence.

The Mary Free Bed Open is hosted by the Mary Free Bed Foundation. The golf outing raises charitable funds in support of the Wheelchair and Adaptive Sports program.
