Workday Special Edition #3

## WORKDAY IMPLEMENTATION UPDATE

The plan phase has finished successfully. This included a review of current data and processes.

The configure phase is to build Workday to support the employee lifecycle, from onboarding to personnel changes. This includes incorporating current MFB data along with developing and refining processes into the Workday platform.

## COMING IN THE NEXT ISSUE

Stay tuned to find out how you can help through the testing phase!

## Please visit the Workday SharePoint site

The HR Workday SharePoint site offers resources for employees to learn about the project by scanning the QR Code to:

- Watch a video on "What is Workday"
- Read FAQs
- Submit questions or request more information
- Access Workday HR Newsletters
