# CONNECT. MOVE. INSPIRE.

Mary Free Bed Wheelchair and Adaptive Sports programs can be fast-paced, challenging and competitive. Our programs provide a fun opportunity to exercise, make new friends, develop social and teamwork skills, and increase confidence. Many of our athletes can walk, but their abilities are limited when they compete against athletes without disabilities.

In addition to team sports, we offer adaptive sports clinics for those who prefer a less competitive environment. With the exception of the women's basketball team, our sports programs and clinics are all co-ed.
